Jeff Ocheltree

Steve Smith - Billy Cobham - Cindy Blackman

Back in the days when there were only "roadies", Jeff Ocheltree was the first person to start taking care of the drums in total from all aspects, the first true "drum tech".

CLINIC TOPICS

- Becoming the first "Drum Tech"
- Creator of *Trust Your Ears* DVD
- Connecting with the Mahavshnu Orchestra
- Drum tuning and drummer's needs
- Developing skills for live and studio situations
- Development of his brand of Sand Cast Drums

**Have A
Problem
Drum?**

Bring a drum you may have issues tuning, and Jeff will give you pointers.
